

AGRICULTURAL SCHOOL

Greatly Appreciated by Farmers in McKinney Section of County

McKinney, Dec. 5. The Agricultural school is taking the day in our town, and quite an interest is being shown among the farmers, etc. We have six professors here and also a lady, who is teaching domestic science. Miss Buckman, of State University gave a very interesting lecture Tuesday afternoon to a large crowd of ladies at the Christian church on sewing, embroidery, hemstitching, etc., and on Wednesday afternoon Miss Buckman lectured again on cooking and preparing lunches and so on, both lectures were very interesting and all enjoyed them very much. Miss Buckman is formerly of Kansas, and has only been in Lexington about six weeks. She is a graduate in domestic science and understands her business. She is a very entertaining talker and can entertain an audience very easily along these lines. The farmers are very much interested in the lectures on Soil Fertility and Dairying. Prof. Bryant and Hendrick are making things hum along that line and Crop Production and Live Stock. All these lectures are interesting and helpful to all and the McKinney people certainly take off their hats to the State University of Lexington in appreciation of the good the Agricultural school has done them.

The people of our town had quite a treat on last Saturday night when the Middleburg High School came over and played "The Turn of the Tide". The play was interesting and amusing from beginning to end and all enjoyed it. Miss Russell, who is a teacher in the high school at Middleburg is to be congratulated on her beautiful alto voice and splendid performance on the piano. We extend Prof. Adams and his team another warm welcome to our town and assure him a good crowd.

STANFORD BOYS

Made Great Record at Football During Past Season.

Several of the foot ball authorities in making up an all-Kentucky foot ball team composed of the stars from the various colleges, place John M. H. Waters, of this city, as quarter. Waters has played throughout the season on the Georgetown eleven and made a great record. He starred particularly in the game against Transylvania when he picked up a fumble and made a 90-yard run for a touchdown, and he also was in the midst of a fine fight all the way through when Georgetown defeated Central University. This lad was one of the most reliable men on the Stanford high school team last year and the form he has shown at Georgetown in his Freshman year forecasts a brilliant record in athletic during his college course.

Harris Coleman, another Stanford boy, was making a great record at the University of Virginia when he was stricken with typhoid fever and forced to cease training. The papers there say that but for this and injuries he sustained, of a slight nature, however, he would have been sure of a place on the University of Virginia backfield, and this is one of the big football teams of the country. Both of these boys are doing as well in their studies as they are in athletics, a combination that is not always found.

To Open Sewing Machine Store

T. E. Miracle, who has represented the Singer Sewing Machine Company at Liberty for several years, is moving to Stanford and will open up a store here for the sale of machines and supplies. Mr. Miracle will move here with his family and will undoubtedly find a good opening here for his business.

THE GREAT HOFFMANN

Renowned Pianist to Give Concert in Stanford December 14.

The college of music of Cincinnati, will present Mr. Frederick J. Hoffman, the famous concert pianist and Sig Giacinto Gomo, baritone in a recital at the opera house on December 14th. Music lovers and thinking people will regard this as a special privilege to the local school and community. Mr. Hoffman will bring his own instrument. An opportunity to hear such a pianist rarely comes once in a lifetime in a town of the size of Stanford, and should be appreciated accordingly.

JOHN BAUGH

Adjudged of Unsound Mind and Will Be Taken to Sanitarium

John Baugh, of Highland, who has figured rather conspicuously in a number of cases in both circuit and county court in the past year, was adjudged of unsound mind in Judge Bailey's court yesterday and will be taken by his family to a private sanitarium for treatment. Baugh has shown on several occasions a disposition to do violence to his fellow man without any provocation.

During the November term of circuit court it was with difficulty that he was restrained by Sheriff McCarty from cutting a man named Young, in the court house, while a few days ago he attempted to shoot Charles Lutes, a neighbor with a shot gun. It was this trouble that brought Baugh's mental condition into question. Mr. Lutes swore out a warrant for his arrest and at the trial Thursday it was determined that a sanitarium was the proper place for him. An indictment brought at the last session of the grand jury for false swearing is now resting against Baugh, but it is not likely that he will have to face a jury as consequence of it. However the indictment is merely filed away and should be dismissed at any time from the sanitarium, it will be entirely optional with the Commonwealth as to a trial for the charge.

RECORD SALE

To Be Put on By Merchant at Lancaster Next Week.

Marshall D. Motley, who put on the big sale for Hughes Martin & Co., here several months ago, brought an order to the I. J. this week for 15,000 double page size bills for a Lancaster firm, which will have one of the biggest sales ever seen in that little city. It took the I. J.'s fast Miehle press all of Thursday to run them off, so that an extra sheet could not be issued for today's paper, hence the contraction of space owing to a heavy run of advertising. An eight page issue will be given subscribers Tuesday however, which will contain the announcement of the tremendous bargains which the Lancaster firm will start next Wednesday. Mr. Motley who will conduct the sale, has made a reputation as the most successful sales manager who ever operated in this section of the state.

LINCOLN COUNTY MAN

Killed While Working in Illinois Brought Home for Burial

Colonel Gooch, a former Lincoln county man, but who had resided at Pekin, Ill., for the past two years, was instantly killed at Pekin, on the afternoon of Wednesday, Nov. 20th, 1912.

Mr. Gooch was engaged in doing some work for the Missouri Valley Bridge and Iron Co., when the heavy pneumatic gun which he used to drive the rivets caused the scaffold on which he was standing to gradually work loose, and finally gave way causing him to fall the distance of 28 feet. Death probably would not have resulted, but the victim struck his head against a projecting piece of wood, cutting a gash three and one-half inches long at the base of the brain, causing death to be almost instantaneous.

Mr. Gooch was 35 years old on July 25, and was born and raised in Lincoln county, having gone west two years ago. He was not a member of the church but his daily walks proved that he was a man who believed in what was strictly right.

Funeral services were held at his residence in Pekin, Ill., and the remains brought to King's Mountain for burial, that being his old home town.

Mr. Gooch was a man who was loved and respected by all who knew him, and was honest and reliable in every way. Too much cannot be said in regard to the loss of a man like him. Much sympathy is felt for his young wife and two children who are almost prostrated with grief.

May the merciful God on High help the young widow to raise little Berta and Bessie to live for God that they may see "Papa" again.

Funeral services were again held by Rev. Couch at the Christian church on Sunday, Nov. 25 and interment was in the Gooch cemetery. All that loving hands could do by friends and relatives was done and the body was laid to rest to await that great resurrection morning, when all the dead in Christ shall arise.

Hutchinson Buys Farm

Tim Hutchinson, has bought of M. Smith Baughman a tract of 60 acres of land off the latter's home place on the Stanford and Somerset turnpike about five miles from town paying \$75 for it. The land lies well and is fertile, but has no improvements. Hutchinson gets immediate possession and will begin at once the erection of a neat home and all necessary out buildings.

Blood Poison Threatened

Daniel Hester, the well known King's Mountain merchant and politician, is in a rather serious condition as the result of a threatened case of blood poison. Several weeks ago his foot began to give him slight pain but he gave little attention to it, thinking it would wear off. The member began to swell a few days ago, however, and in 48 hours had turned almost black. Mr. Hester became alarmed and left Tuesday for Lexington to consult a specialist. His many friends here and elsewhere hope to hear good news from the result of his treatment and will be glad when he is able to return to his home, restored to health.

"Big Foot John" Gets in Bad

John Kennedy, of color, better known as "big foot", had his examining trial before County Judge Bailey yesterday morning on the charge of stealing a pocket book containing about \$3 from Mrs. Maggie Newby, a domestic at the Coffey House. The lady caught Kennedy coming out of her room Wednesday morning and later in the day missed her pocket book and swore out a warrant for the Negro's arrest. He could not give the court a satisfactory reason for being in the room and the Judge held him over to the grand jury in the sum of \$100, in fault of which he went to jail. Kennedy has served one term in the penitentiary for stealing.

Opera House Gets Fine Film Service

The management of the opera house has just closed a deal with the Mutual Film Co., of Cincinnati, the largest film renting house in the middle west to furnish pictures here Friday and Saturday nights. This is a new company having been organized only last spring and therefore their service is practically new. The patrons of this theatre may rest assured that they will not be interrupted any more by reels breaking in two, which often causes the audience to lose the connection of the picture. This will be a decided advancement in service for Stanford as this company is said to be the best going. They will feature a "101 Bison" picture each week which is beyond doubt the best company producing Western films. "Custer's Last Fight" said to be the biggest and most extravagant feature ever made will be run here at an early date.
